Farsight shall have the absolute discretion to accept, refuse or partially accept any buy or sell order for execution from a client in respect of penny stock, illiquid stocks having low liquidity, illiquid "options", far month "option" writing of "options", stocks in GSM/Z, T, TS, S, B, BE, IL, BT, EQ Category and any other contracts which as per the perception of stock Broker are extremely volatile or subject to market manipulation.

Stock broker is advising to the clients not to deal in penny securities and if client deals with the penny stocks, 100% margin will be taken from the client and these shares will not be taken to as Margin deposit. The stock broker shall have authority from time to time limit (quantity/ value) or refuse orders in one or more securities due to various reasons including market liquidity, value of security(ies) or may require compulsory settlement / advance payment of expected settlement value/ delivery of securities for settlement prior to acceptance / placement of order(s) as well, the order being for securities which are not in the permitted list of the stock broker / exchange(s) / SEBI or does not commensurate with the risk profile of the client as assessed by the broker. The client agrees to abide by the exposure limits, if any, set by the stock broker or by the Exchange or Clearing Corporation or SEBI from time to time. It may be noted that in cash segment also upfront margin collection and reporting is compulsory. In absence thereof no sauda can be done. Similarly now margin may have to be reported on intraday position. Therefore exposure will not be allowed beyond one time unless expressly agreed to between the parties subject to regulations of SEBI/ exchanges

Sometimes client's sauda may go to IOC (Immediate or Cancel) instead of normal bidding if broker terminal is on square off mode.
